RE: Bell Crossing

Dear Mr. Floyd:

I am responding to your letter dated November 18, 2008, sent to myself and the Ravalli County Commissioners, and received by my office on December 4, 2008. Since the above-referenced matter concerns a state highway and bridge placement I presumed state authorities would have responded to you. To date I have not received copies of any further correspondence regarding this matter so I am assuming state authorities have not responded to you.

Accordingly, it is Ravalli County's position that it appears that any disagreements you have regarding the state highway and bridge at Bell Crossing concerns the State of Montana and its agencies.

Sincerely,

George H. Corn
